

1.1 What is NovoTouch EK series

NovoTouch EK series is an All-in-One 4K touch panel ideal for conference rooms, huddle space, and classrooms, which combines screen mirroring, wireless collaboration, whiteboard, and digital signage and communications in one panel.

The EK series is available in three screen size, 65", 75", and 86". All three models come with the following hardware configuration.

- **Panel:** 4K UHD resolution and wide viewing angle (178°/178°)
- **Touch:** High-precision 20-point touch and common gesture interactivity
- **Surface Protection:** 4mm-thick toughened glass
- **Internal Storage:**
 - EK-2 series: 16GB in total (~ 9GB for users)
 - EK-3 series: 64GB in total
- **Connectivity:** Full suite of connectivity ports, including HDMI-Out, HDMI-In, VGA-In, Audio-In/Out, RS232, USB, and LAN
- **Networking:** Built-in WiFi and LAN
- **Audio Output:** 16W × 2
- **Expansion:** One standard Intel OPS slot
