

2.1.1.1 Customizing a Grid Mode Layout

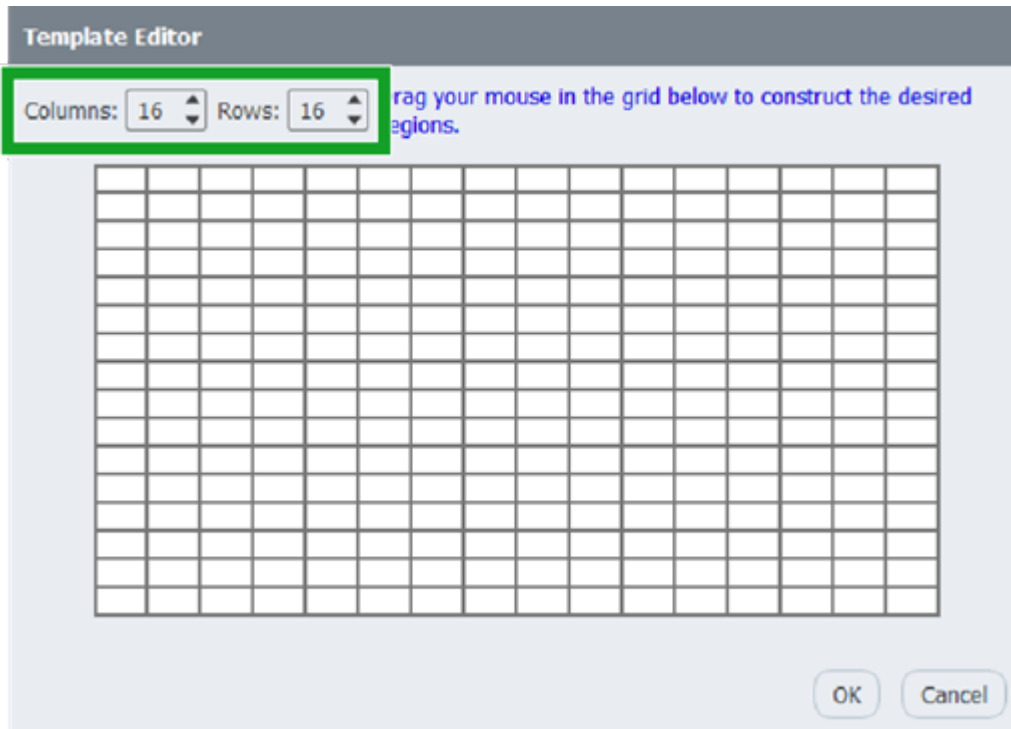

When you select **Customize** in the **Select Template** menu for grid mode, the panel on right side of the menu will show the default 16×16 grid layout preview.

- Click on either the **Template Editor...** button at the top of the panel or the preview in the middle of the panel to enter the **Template Editor** window to customize your layout.
- Click on **Import Template** to import a previously designed grid-based template.

In the **Template Editor** window:

- Select the number of columns and rows you want for your grid.

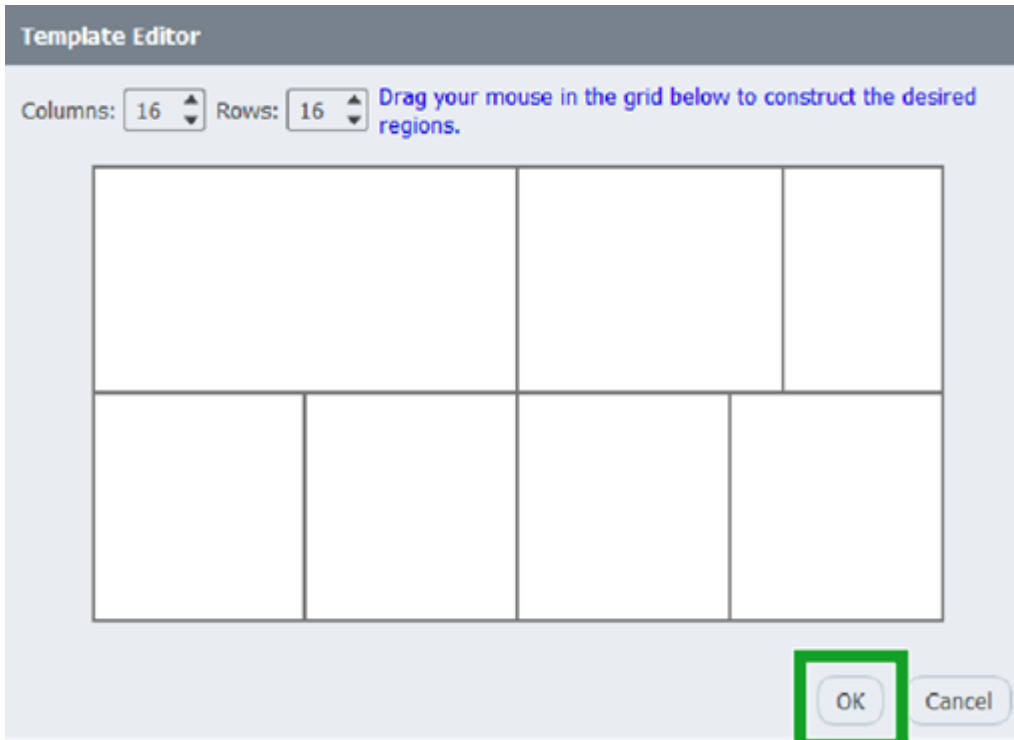

- Click and drag your mouse in the grid layout to create a region within the template.

- Repeat step 2 to create all the regions you want in your layout.
NOTE: To revert a region you have already created to the original grid, right-click on the respective region.

- Click **OK** to finalize your design and return to the **Select Template** menu.

- Click **Create** in the **Select Template** menu to select your custom-made layout and begin editing the content for your playlist page. Go to *The Editing Menu* for details on editing the content for the page.

*NOTE: If you want to save the layout you customized as a template for future use, click **Save Template** in the **Select Template** menu.*

The image shows a software interface for creating or editing templates. On the left, a grid of 15 template thumbnails is displayed, with the first one labeled "Customize". At the bottom right of this grid, a "Create" button is highlighted with a green box, and a "Cancel" button is next to it. On the right side, a dark panel titled "Template Editor..." contains a 2x3 grid of numbered regions (1-6). Below this grid are "Import Template" and "Save Template" buttons. At the bottom of the panel, the following settings are listed: Grid: (16, 16), Region Size:, Region Location:, Dimension:, and Ratio:.

1	2	6
3	7	4 5
