2.1.1 Directly Pairing from Novo Devices

This is the most direct and easiest way to pair a **LauncherPlus** with a **Novo** device.

1. Connect the **LauncherPlus** to the **Novo** device’s USB-C port to start pairing mode.

2. The pairing status will be displayed on the main screen, and the LED indicator will flicker until the pairing process is completed.

3. Once pairing process is completed, you may disconnect your **LauncherPlus** from the Novo device.
