

2.5 Export to DS Cloud

To export your playlists to the cloud to be accessed via the DS Cloud service, click the **DS Cloud** button at the top-right corner of the main DS Playlist screen.

In the **NovoDS Cloud Manager** pop-up window that appears, enter the **Server URL**, **User Name**, and **Password** for your NovoDS account and then click **Log in**.

A screenshot of the NovoDS Cloud Manager (V1.0.7.30) login window. The window has a title bar with the application name and a close button. The main area contains three labeled input fields: 'Server URL:' with a text box containing 'Example, https://www.novods.com' and a 'Default URL' checkbox; 'User Name:' with a text box; and 'Password:' with a text box and a 'Store in vault' checkbox. At the bottom, there is a link '>> What is NovoDS Cloud?' and two buttons: 'Log in' and 'Cancel'.
