

2.5 Export to DS Cloud

To export your playlists to the cloud to be accessed via the DS Cloud service, click the **DS Cloud** button at the top-right corner of the main DS Playlist screen.

In the **NovoDS Cloud Manager** pop-up window that appears, enter the **Server URL**, **User Name**, and **Password** for your NovoDS account and then click **Log in**.

A screenshot of the NovoDS Cloud Manager (V1.0.7.30) login window. The window has a dark blue title bar with the application name and a close button. The main area is light gray and contains the following fields:

- Server URL:** A text input field with the placeholder text 'Example, https://www.novods.com' and a checkbox labeled 'Default URL'.
- User Name:** A text input field.
- Password:** A text input field with a checkbox labeled 'Store in vault'.

At the bottom left, there is a link '>> What is NovoDS Cloud?'. At the bottom right, there are two buttons: 'Log in' (green) and 'Cancel' (gray).
