# 3. 1 Overview

Upon selecting the DS Schedules tab, you will enter the main menu. The following items can be accessed from the main menu.

No.	Item	Description
1	Create Schedule	Creates a new schedule. See *Creating a Schedule* for more information on creating a schedule.
2	Import Schedule	Imports a schedule from a local file (in .ndss file format). See *Importing a Schedule* for more information on importing a schedule.

3	Schedule List	Lists all the schedules managed in DS Schedules. Click a schedule in the list to begin editing the schedule in the editing panel. You can also choose one of the following options for a selected schedule: 1. Click the export button to export the schedule. See *Exporting a Schedule* for more information on exporting a schedule. 2. Click the rename button to rename the schedule. 3. Click the delete button to delete the schedule.
4	Editing Panel	Allows you to edit your schedule. You can also choose one of the following options: 1. Double-click an item or click the edit button to edit the schedule item. 2. Click the add button to add a new schedule item. 3. Click the delete button to delete a schedule item.
