# 3.6 Wallpaper Management

Remote Manager Cloud allows to upload image to the wallpaper library and deploy to selected devices.

Here are the instructions to show you how to do:

Step1. On the Menu left side, Click Devices

	Devices >					Show device tags	_
Œ	Devices G	roups				C ·	+
Dashboard	Status 🗘	Name	Device ID	Model	Group		
	Active	RK#2B-NT1	59Q-WT3	BK2	RK2F	©	
Devices	Active	RK#2B-NT2	SOW-I7T	BK2	RK2F	©	
 Apps							
<b>کر</b> Organization							
License							

Step2. Click the icon menu on the right top corner.

Devices >					Show device tags	
Devices	Groups				G -	+
Status 🗘	Name	Device ID	Model	Group		
Active	RK#2B-NT1	59Q-WT3	BK2	RK2F	\$	
<ul> <li>Active</li> </ul>	RK#2B-NT2	SOW-I7T	BK2	RK2F	\$	

Step3. Click the option Wallpaper Library

#### Step4. Click + to add wallpaper file to the library

Devices > Wallpape	er library				
← Wallpape	er library				+
Thumbnail	File name	Dimension	File size	Uploaded by	
		i No	items in list.		

Step5. Image files will be listed in the library after they are uploaded.

Devices > Wallpaper libra	ary					
← Wallpaper libi	rary					+
Thumbnail	File name	Dimension	File size	Uploaded by		
	1_2.jpg	2160×3840	2.2 MB	ivan	Φ	创

Step6. Click the deploy icon, and Deploy window will pop up on

the top of the screen.

← Wallpaper libra	ıry				+
Thumbnail	File name	Dimension	File size	Uploaded by	
	1_2.jpg	2160×3840	2.2 MB	ivan	ل Deploy

Step7. Check the selected devices and click deploy.

### Deploy wallpaper

Thumbnail	File name	File size
	1_2.jpg	2.2 MB

	Devices		<ul> <li>Device groups</li> </ul>	
-	3	Device name	Description	
	•	RK#2B-NT1	New Device	
[	•	RK#2B-NT2	New Device	

Step8. Back to the device list and Click the device control icon.

 $\times$ 

Devices	Groups				U	+
Status 🗘	Name	Device ID	Model	Group	_	• I
Active	RK#2B-NT1	59Q-WT3	BK2	RK2F	٢	Device Cont
<ul> <li>Active</li> </ul>	RK#2B-NT2	SOW-I7T	BK2	RK2F	٢	

## Step9. The uploaded image is listed in the tab wallpaper.

## Click the preferred image to deploy to the selected device.
