

4.3.2 Upload a Schedule

Once a device is connected, you can upload a playback schedule to by clicking on the “Schedule” button. Then follow the on-screen instructions to select the desired playback schedule.

The screenshot displays a web-based interface for managing devices. On the left, there is a sidebar with 'All Devices (123)' and 'Unassigned Devices (114)'. Below this is a 'Group List' with items like '9F (4)' and '2B Showroom (5)'. The main area features a toolbar with buttons for '+ Devices', 'Generate Configuration File', 'Remote Snapshot', and 'Announcements'. Below the toolbar is a 'Playlist' section with 'Change', 'Upload Schedule', and 'Functions' buttons. The central part of the interface is a table with columns: Label, Name, IP Address, Playlist, Action, and Status. The first row, 'Meeting Room 3', is highlighted, and its 'Action' column contains a grid icon (representing a schedule) which is highlighted with a green box. Other rows include 'Reception area', 'Hallway', and 'Boardroom'.
