4.4.3 Group Action — Upload Schedule

To upload a schedule to all the devices in a group and have them run the schedule, click on the group in the group list and then click the **Upload Schedule** button at the top-right of the device list.

Once you click the **Upload Schedule** button you have two options:

- Select **Playlist Schedule** to upload a schedule for playback of a playlist created in DS Playlist. Go to *Creating a Schedule* for more information on having creating a playlist schedule.
- Select **Display On/Off schedule** to upload a schedule for powering on/off the devices created in the device settings menu. Go to *Scheduling On/Off Times* for more information on creating a power on/off schedule.
