2.6 Change Device Name

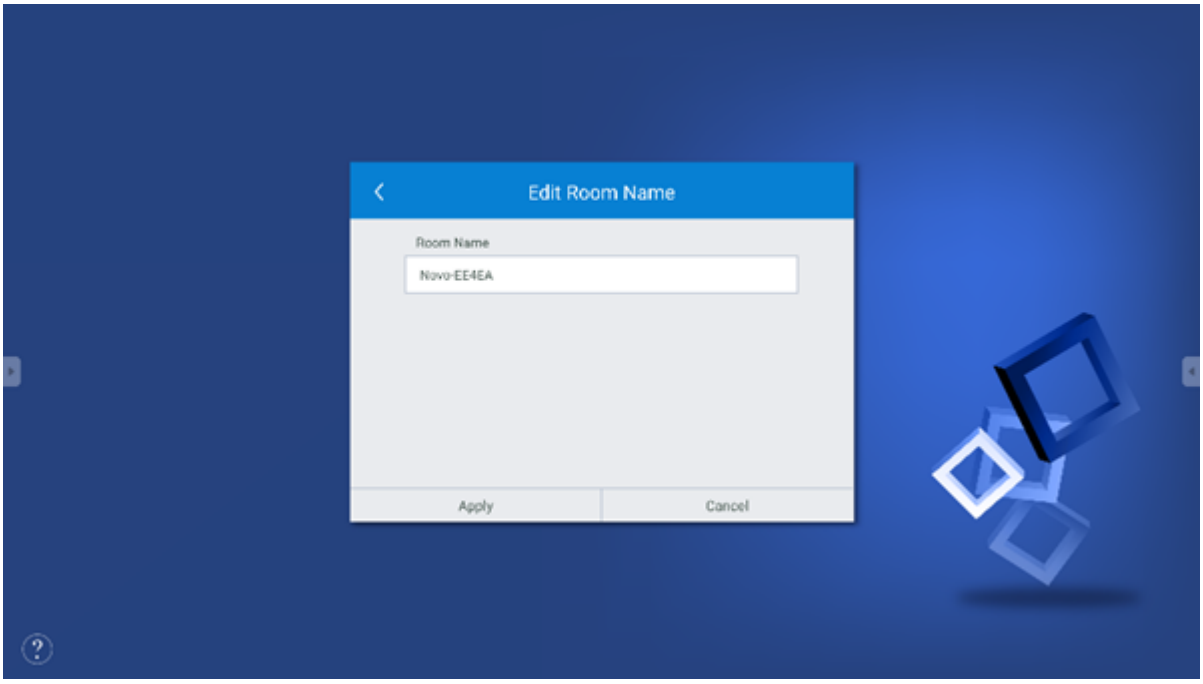

1. In the All Apps menu, tap **NT Settings**.

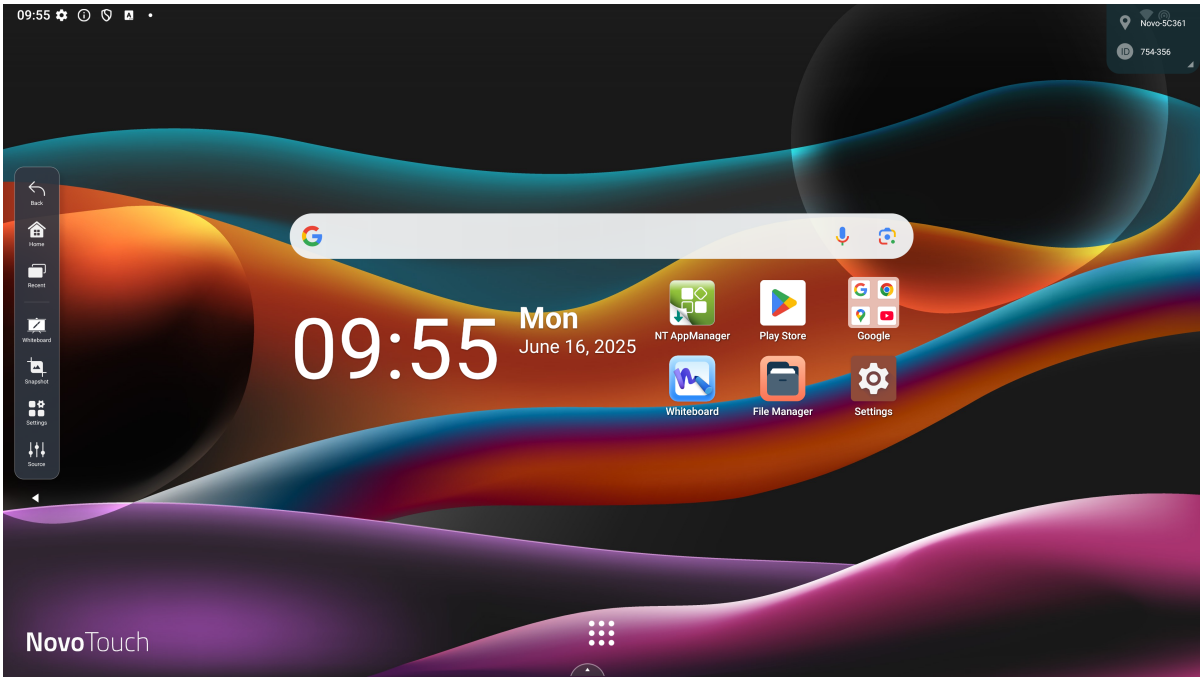

2. In the **NT Settings** menu, tap **General**.

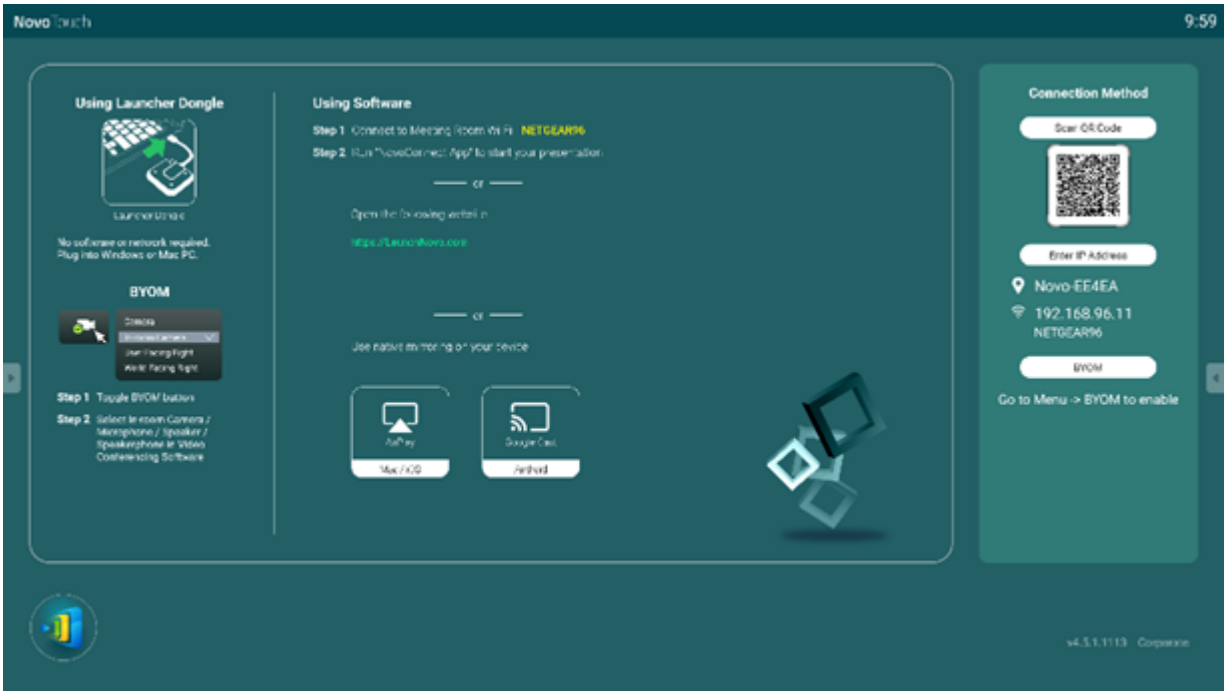

3. Tap **Room Name** to edit the name for the device/display.

4. Once you return to the NT Launcher home screen, you can check for the new device name in the top-right corner.

5. Return to the RVA home screen to see the new device name.
