

How to display iCal Google Calendar on digital signage

Step 1. Log in to Google Account.

Step 2. Go to **Google Calendar** > go to **My calendars** in the left bottom corner) > select which calendar you would like to share and click settings > **Settings and Sharing**.

Step 3. Go to **Integrate Calendar** > copy the URL from **Secret address in Cal format**.

Step 4. Then paste the URL to playlist on **DS Studio** or **NovoDS.com**.
