macOS 12 new privacy rules – How to use NovoConnect software on macOS 12

MacBook users can use AirPlay for screen sharing (see the [article](#)).

This article is for macOS new privacy rule on macOS 12 (macOS Monterey), user have to enable some rules on Security Settings on macOS to allow NovoConnect App for screen sharing.

For macOS user still can use AirPlay for screen sharing (see the [article](#)) under the same network.

For macOS 10.15 user(s), please see the [article](#) to modify your privacy settings.

For macOS audio not working please read audio adapter solution (see the [article](#)).
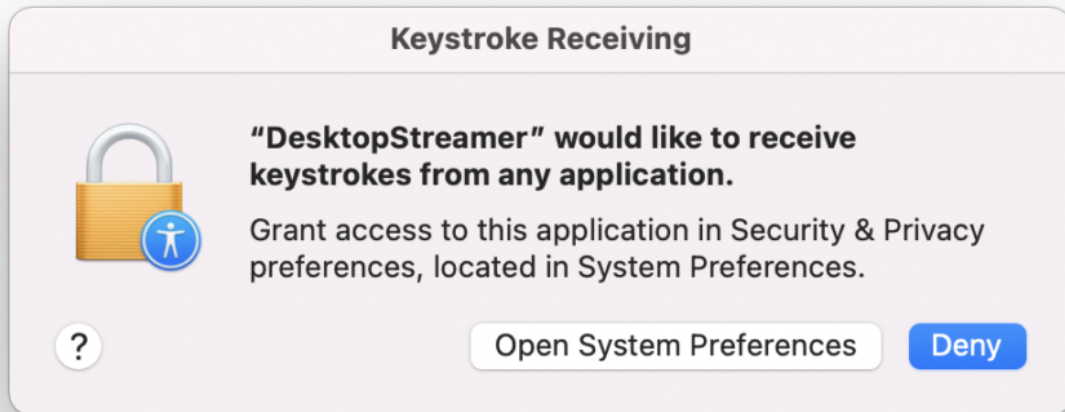

FIRST-TIME USAGE
